

HERBERT SCHOOL

EDUCATION WITH A DIFFERENCE
Changangei Airport Road, Imphal - 795140

NOTICE

Dated 12th February, 2018

SSP students of Batch year 2016 who passed out from this school but who are appearing NEET 2018 are hereby informed that Chapter-wise Test Series along with Full syllabus exams are being arranged from **2nd week of March 2018** in the interest of all concerned. There will be 8 chapter wise Test series along with 6 Full syllabus tests from Resonance and Allen, Kota. Students who are interested to appear Test Series are welcomed to enrol themselves at the school **free of cost on or before 1st March 2018**. Date, time and syllabus of the Test series are given for your information:

SI No.	Date/Time	Physics	Chemistry	Botany	Zoology
Test 1	17/03/2018 (9:30 am)	Projectile Motion	Stoichiometry & Redox reaction	Biomolecules	Chapter 4 Animal Kingdom
		W P E	Atomic Structure & Periodicity in properties	Photosynthesis in Higher Plants	Chapter 16 Digestion and absorption
					Chapter 17 Breathing and gaseous exchange
Test 2	24/03/2018 (9:30 am)	Thermal Properties of matter Thermodynamics	Bonding & Molecular Structure, S - block elements	Living World and Biological Classification	Chapter 18 Body fluid and circulation
		N L M	Electrochemistry & Surface Chemistry	Plant Kingdom	Chapter 19 Excretory product and their elimination
Test 3	29/03/2018 (9:30 am)	Friction and FBD	P - block elements (Group 13 to 18)	Transport in Plants	Chapter 20 Locomotion and movement
		Oscillation	General Organic Chemistry	Plant Growth and Development	Chapter 21 Neural control and coordination
Test 4	03/04/2018 (9:30 am)	Wave	Hydrocarbons & Halocompounds	Morphology of Flowering Plants	Chapter 22 Chemical control and coordination
		Circular Motion & CM	Gas, alcohol, phenol & ether	Anatomy of Flowering Plants	Chapter 4 Reproductive Health
				Respiration in Plants	
Test 5	08/04/2018 (9:30 am)	MI & RBD	Solution, d-block & complexes	Mineral Nutrition	Chapter 7 Evolution
		EMI & A-C	Equilibrium & metallurgy	Reproduction in Organism	Chapter 8 Human health and diseases
				Sexual Reproduction in Flowering Plants	

Test 6	13/04/2018 (9:30 am)	Modern Physics (PEE,ATOM & Nuclii)	Solid state & Amines	Sexual Reproduction in Flowering Plants	Chapter 5 Principle of inheritance
				Biotechnology: Principle and Process (Tools)	
		M E C	Thermodynamics & nitrocompounds	Biotechnology: Principle and Process (Steps -)	Chapter 6 Molecular basis of inheritance
				Biotechnology and its Application	
Test 7	19/04/2018 (9:30 am)	Ray optics	Chemical Kinetics & Radioactivity	Organisms and Populations	Chapter 3 Human reproduction
					Chapter 9 Strategies for enhancement of food production
		Semi Conductor	Aldehydes,Ketones,A cids &their derivatives.	Ecosystem	Chapter 10 Microbes in human welfare
				Biodiversity and Conservation	Chapter 7 Structural organisation in animals
Test 8	22/04/2018 (9:30 am)	Current Electricity	Biomolecules, polymers & Chemistry in action	Environmental Issues	Chapter 8 Cell: The unit of life
				Environmental Issues	Chapter 10 Cell cycle and cell division
Test 9	24/04/2018 (9:30 am)	Full syllabus 1 (Resonance)			
Test 10	26/04/2018 (9:30 am)	Full syllabus 2 (Allen)			
Test 11	28/04/2018 (9:30 am)	Full syllabus 3 (Resonance)			
Test 12	30/04/2018 (9:30 am)	Full syllabus 4 (Allen)			
Test 13	02/05/2018 (9:30 am)	Full syllabus 5 (Resonance)			
Test 14	04/05/2018 (9:30 am)	Full syllabus 6 (Allen)			

Last date of enrolment of the above Test Series is 1st March, 2018.
